following

(1) Health Officers of Mysore and Bangalore to hold a seat on the respective Municipal Councils and

(2) Health officers to be Ex officio Vice Presidents in Sanitary Matters

That question is still pending orders In the meantime the Sanitary Commissioner repeats his suggestion that Health Officers may be considered to be independent of the Municipal Councils employing them and to be officers of the Public Health department. This is however inadmissible So long as Health Officers are servants of Municipal Councils, their position cannot be other than what has been defined in the Municipal Regulations

Submitted for orders as to whether this question may be taken up after final orders are issued on the Sanitary Commissioner's other suggestions referred to above

Yes, I think so
